NAVY DECLASSIFICATION/RELEASE INSTRUCTIONS ON
FILE

Dear Mr. Baird:

On 21 February 1961, the forty-eight officer students of the U.S. Naval Intelligence Postgraduate School are scheduled for various presentations on the uses of intelligence.

In conjunction with this phase of the course, it would be greatly appreciated if a member of the Central Intelligence Agency could, as in the past, be made available to present a lecture on the subject of "The National Intelligence Estimate". If feasible, the most fitting date would be 21 February 1961, between the hours of 0830-1020. It is anticipated that there would be a question-and-answer period following the lecture in order for students to ask any questions they may have, all to be included in the two-hour period.

Should this request receive favorable consideration, details may be arranged by informal liaison with LCDR J. J. PAVELLE, Jr., USN who will coordinate this matter for the School. LCDR Pavelle may be contacted by telephone on code 1215, extension 458.

All officer students are cleared for material up to and including Top Secret.

Sincerely yours,

B. E. WIGGINS
